

This form must be signed and returned with contestant entry form

Covid-19 Protocols for MAC Most Beautiful Pageant

Please read carefully and sign below.

I understand the following steps will be taken to ensure the safety of participants and their guests:

(Before the pageant)

- Hand sanitizer will be available in the lobby, all bathrooms, and dressing rooms.
- Masks will be required by all guests and workers in all areas.
- Spectators must remain 6 feet apart from other spectators unless within the same household.
- Participants must social distance before and after their time on stage. This will be enforced.
- Seats will be taped off for guests and judges the night of the event.
- Only one person will be allowed to escort the participant backstage before the pageant to assist with dressing. Any persons not competing in the pageant must leave the backstage area 30 minutes before the contestant goes on stage unless otherwise authorized.

(After the pageant)

- Per CDC guidelines, all spectators must vacate the gym and go outside immediately following the conclusion of the pageant.
- Any pictures made with friends and family must be made prior to arrival or outside after the pageant.
- Participants will change and exit from the dressing room doors on the left side of the gym.
- Pictures for the yearbook of the winners will be taken on stage immediately after the pageant by the yearbook staff.
- All areas used in the gym including seating and backstage areas will be sanitized once the building is vacated.

I understand the Covid-19 procedures that will be taken for this event and agree for my child to participate in the MAC Most Beautiful Pageant.
